

Meeting of the Steering committee

July 5, 2022

On Tuesday, July 5, 2022, a board meeting of the Association for Occupational Safety and Health of Montenegro was held.

The meeting was conducted with the aim of analyzing the Draft Strategy for the Improvement of Occupational Safety and Health in Montenegro 2022-2027, along with the Implementation Action Plan for 2022-2023.

The emphasis was placed on organizing a conference scheduled for October 2022, under the working title "Knowledge and Expertise of Court Experts and Judicial Decision-Making - Basis for Liability Determination."
