

Segment for the morning program on Prva TV

August 24, 2022.

Even though summer is coming to an end and high temperatures are behind us, our Đina Janković reminded us of what we have talked about many times this summer - the risks that working in high temperatures poses to the health and safety of employees.

If we don't learn from this year's experience, we will be unprepared for the next summer and we will once again be discussing the same topics, problems, and challenges.
