

Izvještaj - EU-OSHA webinar o zaštiti i zdravlju na radu u uslovima pandemije CoV-SARS

25.11.2020.

Danas je EU-OSHA organizovala webinar o zaštiti i zdravlju na radu u IPA zemljama, na kojem se razgovaralo o različitim temama na polju zaštite na radu, kroz prizmu uslova rada uzrokovanih pandemijom COVID-19. Predstavnici zemalja zapadnog Balkana, kao i EU-OSHA, govorili su o budućim izazovima i prilagođavanju radnog mjesta trenutnoj situaciji. Predstavnici SWAM-a bili su koordinatorica projekta Đina Janković i inspektor rada BZR Zlatko Popović. Đina Janković je govorila o aktivnostima sprovedenim u okviru projekta „Gradi znanje zaštititi sebe“, kao i pitanjima i izazovima s kojima se suočava Crna Gora, prvenstveno - nepostojanje Nacionalnog savjeta za ZZNR, Instituta za medicinu rada kao i još uvijek velikog broja teških povreda i onih sa smrtnim ishodom koje se dešavaju u građevinskom sektoru, koji je glavna industrijska grana u Crnoj Gori.
