

## Regional Workshop in Albania Durrës, December 5-7, 2022

Dina Janković, as a representative of the BALcanOSH network, participated in the Regional Workshop "Building the Capacities of Civil Society Organizations and Key Actors for the Implementation and Monitoring of Existing Occupational Health and Safety Regulations and Working Conditions." The workshop was successfully held in Durrës from December 5 to 7, 2022.

The training was conducted for 24 participants, including employees, trade unions, OHS professionals, and OHS inspectors, as part of the project "Enhancing labour conditions and

occupational safety and health as a support to the countries from the Western Balkan toward accessing European Union".

The aim of this training was to strengthen the capacities of key actors involved in the implementation of occupational health and safety regulations and working conditions, as well as to propose solutions to achieve six strategic goals identified as crucial in the development strategy for occupational health and safety in the region by 2023.
