

Report on World Day for Safety and Health at Work, RTV Budva

28th April 2022

The conference "Collaboration for a Culture of Occupational Safety and Health" and the promotion of activities of the project "Enhancing labour conditions and occupational safety and health as a support to the countries from the Western Balkan toward accessing European Union" RTV Budva recorded the entire event and later aired it on their highly-watched program "Naša prava" (Our Rights).
