Project Coordinator and a member of the Working Group for Chapter 19 – Social Policy and Employment, Đina Janković, reminded the attendees at the meeting of the Working Group that one of the decisive benchmarks for closing this chapter is the implementation of the Law on Safety and Health at Work. In order to achieve results in this area, she reminded that it is necessary for everyone to contribute and to introduce safety and health at work into the education system of Montenegro as soon as possible, in order to reduce the risk to health and safety that young people are exposed to when they are unprepared to enter the labor market.
