

Regional call for grants to local NGOs for activities within regional cooperation to improve working conditions through the implementation of occupational health and safety measures and networking within the IPA region

January 14, 2022

The Safety at Work Association of Montenegro (SWAM) in partnership with Macedonian Occupational Safety and Health (MOSHA), Center for Socio-Ecological Research and Documentation, Kosovar Occupational Safety and Health Association (KOSHA) and Albanian Occupational safety and Health (AOSHC) and within the project “Enhance labour conditions and occupational safety and health as a support to the Western Balkans toward accessing the European Union” (contract number IPA /2019 /413-810), with the support of the European Commission, published a regional call for a scheme for subgranting local NGOs for projects in the field of occupational safety and health.

The application deadline with the full application is February 23, 2022 at 4pm.

The info session related to the award of grants was held on January 18, at 11am via the ZOOM platform. A large number of civil society organisations from Montenegro attended this online event.
