

Regional workshop "Capacity building of civil society organizations and key actors for the implementation and monitoring of existing regulations of occupational safety and health and working conditions" Budva

26 to 28.10.2022.

In the period from 26 to 28 October, the second part of the Regional workshop "Capacity building of civil society organizations and key actors for the implementation and monitoring of existing regulations of occupational safety and health and working conditions" was held, within the project "Improving working conditions and safety and health at work, as a support to the Countries of the Western Balkans in the EU accession process".

The workshop was attended by representatives of the Ministry of Labor and Social Welfare, Ministry of Health, Ministry of Education, Ministry of Finance, Ministry of Ecology, Spatial Planning and Urban Planning, Health Insurance Fund, Pension and Disability Insurance Fund, Directorate for Inspection Affairs, Civil Society Organizations and the Protector of Human Rights and Freedoms.

The theme of this three-day workshop was national OSH policy:

- National OSH policy:
- Effective legal framework and OSH policy
- Education about OSH
- OSH capacity building
- Promotion and raising public awareness of OSH
- Records on OSH
- Sectoral and cross-sectoral cooperation at national and regional level,
