

**Segment in the "Lice Podgorice" show, on City Television  
On April 27, 2022.**

Since 1996, the World Day for Safety and Health at Work has been observed in 120 countries as the International Day of Remembrance for Dead and Injured Workers, under the motto: "Remember the Dead, Fight for the Living." This was the topic discussed in the "Lice Podgorice" show, and a conference organized by SWAM on this occasion was announced.
