

# **Working meeting of BALcanOSH networks – Ministry of Economic Development, Safety at Work Association of Montenegro, Union of Free Trade Unions of Montenegro**

**June 14 and 15, 2021**

Representatives of the Safety at Work Association of Montenegro (SWAM) and Macedonian Occupational Safety and Health Association (MOSHA) held several meetings today with representatives dealing with occupational safety and health (OSH) in Montenegro.

The first meeting was held at the Ministry of Economic Development of Montenegro with the representatives of the Directorate for Labor and Employment.

At this meeting, the realized activities and results from the previous year in the field of OSH were presented, as a result of cooperation and exchange of experience in the BALcanOSH network. Challenges and work methods for the next period have been defined, as well as the strategic goals which are defined in the Regional Strategy 2019-2023, all with the aim of providing safe and healthy jobs in Montenegro. Special mention was made of: the establishment of the National Council for the SWAM, records of injuries and occupational diseases, as well as education regarding introducing the OSH in the education system of Montenegro.

After that, a working meeting was held in the premises of the Safety at Work Association of Montenegro (SWAM) with management boards members.

The third working meeting was hosted by representatives of the Union of Free Trade Unions of Montenegro (UFTUM). The focus of the talks was on: exchange of experiences, realization

of common ideas, draft of implementation plan and organization of joint forums and workshops.
